

District 19 City Championship Tournaments

2012 Tournament Rules, Guidelines & Ground Rules

Little League Baseball Rules

Rules: The Tournament Rules as printed in the current Little League Rules under the T-Section at the rear of the Little League Rule Book will apply for these tournaments except where noted in these District City Championship Tournament Rules and Guidelines. The Little League Baseball Official Regulations and Playing Rules will be used in the conduct of the Little League Baseball Tournament.

Responsibility and Chain of Command

It should be clearly understood by Tournament Directors and league presidents that operation of the annual tournaments in Little League come under a different authority and jurisdiction from that normally observed during the playing season. It is, in fact, a whole new ball game. Once the City Championship Tournaments start, authority is vested solely in the Tournament Directors and District Administrator.

There will be no waivers or resort to local rules or other variation. To administer the tournament properly and complete the tournament in the limited time afforded by the upcoming tournament season it is a necessity that no delays occur. Games must be played as scheduled. If weather or other reason cause a tournament site to be not acceptable for play, the tournament can be moved by the District Administrator.

Once the tournament starts, it must proceed without interruption. If protests or disputes occur which cannot be settled by the umpires or Tournament Directors through immediate and concise application of the rules, appeal must be made through proper channels promptly to the District Administrator to prevent a major blockage or loss of momentum.

Revocation of tournament privileges or forfeiture of a tournament game may be decided only by the District Tournament Committee. Should a problem arise that cannot be resolved while a game is in progress, the game must be suspended by the umpire-in-chief and the problem referred immediately to the Tournament Director. If not resolved, it must be referred to the District Administrator immediately.

Knowledge of the rules must be guaranteed before a Tournament Director is declared qualified. All Tournament Directors will undergo a thorough and instructive briefing session prior to taking on their duties, must signify that they understand the rules and regardless of personal feelings, they are in full agreement and can interpret them properly. At the time of the district tournament meeting, it will be required that each league president or the representative in attendance signify that the league and tournament team managing personnel are knowledgeable of Tournament Rules and are in full agreement with these conditions.

Selection of Tournament Teams (This replaces what is printed in the Little League Rule Book)

These Tournaments will consist of the League Champion of each chartered Little League. These are not All-Star Teams and each League President must assure that their team or teams consist of regular season players and that those players have been a member of that team at least **sixty (60%)** percent of the regular season. Any player or players brought up to any team who have not been a member of that team for at least **sixty (60%)** percent of the regular season, must not and can not participate in these Championship Tournament Games.

Each team will be allowed to add two (2) additional players to the regular season League Championship Team, but no team may have more than sixteen (16) players. These two additional players must be from a team or teams from within the league and division (if more than one league, i.e. American and National) and must have participated on that team or teams at least 60% of the regular season. The purpose of allowing the two (2) additional players is to replace players lost due to vacation or illness.

Once the team rosters are certified by the League President and submitted to the District Administrator, there will be no additions allowed. Team Managers must sign the affidavit verifying that they acknowledge that every eligible team member has been listed. If a team loses players due to sickness, injury or vacation after the start of the tournament and/or submission of the City Championship Tournament Affidavit, then that team must continue in the tournament with the remaining players.

Tournament Organization

This Section does not apply to the City Championship Tournaments.

Managers and Coaches (This replaces what is printed in the Little League Rule Book)

The District Administrator or Assistant District Administrator shall not serve as manager or coach.

Little League: The manager and coach(es) shall be the regular season team managers and/or coaches from the Little League Baseball (Majors) Division Championship Team from their Little League. If vacation, illness, job or other justifiable reasons prevent the regular season team coach or manager from participating, the league president may appoint a replacement from the proper division, with approval of the District Administrator.

Each team will be permitted to have one Manager and two Coaches regardless of the number of players on the team.

Scorekeepers & Announcers

Scorekeepers & Announcers: The home team must furnish an announcer for each tournament game played. This individual may be a parent or assistant coach, but they must be adults at least 18 years of age. **Host leagues furnish the official scorekeeper.**

At the end of each ½ inning the scorekeeper shall have the pitch count announced and shall also inform the umpire of the pitch count. The umpire will inform the managers of the pitch count and attempt to resolve any differences, however, if there is a dispute, the official scorekeeper records will prevail. Pitch count shall be announced at the end of each ½ inning.

Umpires (This replaces what is printed in the Little League Rule Book)

The District Umpire Consultant shall have full responsibility for providing volunteer Little League umpires for tournament games. Umpires from leagues involved in the game may be assigned. The District Administrator shall have final approval of all assignments. There should be at least two umpires in each game. More are recommended when available.

Tournament Eligibility Affidavit (This replaces what is printed in the Little League Rule Book)

It shall be the League President's responsibility to review and certify the birth records (league age) and residence (as defined by Little League Baseball, Incorporated) of all players. When the league finally determines the League Champion, names must be entered on the league's Eligibility Affidavit. Once the League President certifies the Affidavit, two copies should be given to the Team Manager. **The Team Manager is responsible for verifying that ALL eligible regular season team players are listed on the Eligibility Affidavit, including the two additional players, prior to beginning the first game. After that time, no additions can be made to this form.** The Team Manager shall present two signed original Eligibility Affidavits to the District Tournament Director at the Mandatory Managers & Coaches meeting. **Note: The Eligibility Affidavit becomes official once the team begins its first game.**

Participation in Other Programs (This replaces what is printed in the Little League Rule Book)

Players may participate in other programs during this tournament so long as such participation does not disrupt the tournament program in which such player participates. NOTE: Consistent with a manager's ability to conduct the affairs of his or her team, a manager may disqualify a player from the team for the current season, subject to Board of Directors approval, if the player repeatedly misses practice or games.

Release of Names (Does not apply to the City Championship Tournaments)

League Eligibility (This replaces what is printed in the Little League Rule Book)

In order to be eligible to submit teams in the City Championship Tournaments, the League must be chartered in the proper divisions for which they wish to enter a team.

District Tournament Fees must be paid by established deadlines.

Leagues must agree to abide by these Special Games Rules in order to participate and will make all managers and coaches aware that these are Special Games and that the authority to resolve all protests, rules interpretations and problems rests sole with the District Tournament Committee and the District Administrator.

Player Eligibility (This replaces what is printed in the Little League Rule Book)

Players are eligible for City Championship Tournament Play, provided they meet the criteria established by Little League for league age, residence and the following:

Little League (Majors Division) - Any Player, who has participated as an eligible player in sixty (60) percent of the regular season games prior to this Tournament on the League Championship Team, with the exception of the school baseball season.

CONDITION: A player who is not able to participate in a number of local league regular season games because of participation in a school baseball program will receive an adjustment on the minimum participation in games required under this rule.

Example: If Little League Baseball Team A played 20 regular season games prior to this tournament, and a player missed 10 (ten) games because of participation in a school baseball program, that player is required to have participated in only six (6) regular season Little League Baseball games to be eligible for the Leagues Championship Little League Baseball Team.

Violation of this rule may be cause for revocation of tournament privilege by the District Tournament Committee.

Replacement of Manager or Coaches (Players-See Note) (This replaces what is printed in the Little League Rule Book)

Any manager or coach listed on the Eligibility Affidavit who is unable to participate because of injury, illness, vacation or other justifiable reason may be replaced by another eligible person by the league president. The replacement must be from the same division and league as the manager or coach being replaced. If a manager or coach is replaced, that person may not be returned to the Tournament Affidavit. Permanent replacements must be from the league's regular season teams and shall be recorded and approved by the District Administrator or Tournament Director in the space provided on the back of the Eligibility Affidavit.

All managers, coaches, replacements and temporary managers and coaches must have had a background check performed by their local Little League in accordance with Little League Regulations and Guidelines.

Exception: If a manager or coach is unable to attend a game for a justifiable reason, a Tournament Director could approve a temporary replacement. Temporary replacement of a manager or coach need not be entered on the Eligibility Affidavit. Replacements must be from the same division and league.

NOTE:

Since this is a League Championship Tournament, no players can be replaced. If a player is lost due to sickness, vacation, injury or any other reason, the League Championship Team must proceed in the Tournament with the remaining players. If a team can not field at least nine players due to any reason, that team will be given a loss and will be eliminated from the tournament.
